AIR TURBO SHOWER

The efficient Air Turbo hand shower technology means that you are having fun and conserving resources at the same time.

The air is plentiful, but precious water is not. We believe that every drop counts, and we will help you to save water, energy and money. With innovative products and trendsetting technologies.

Advantages:

1. Use water more efficiently;
2. Feel more comfortable with air injection;
3. Special design to avoid water dropping from the air injection hole.
